APPROVAL CRITERIA

Requests for non-preferred agents for cutaneous fungal infections may be approved based on the following criteria:

- I. Individual has had a trial (medication samples/coupons/discount cards are excluded from consideration as a trial) with inadequate response or intolerance to three preferred topical agents (ciclopirox cream and suspension; clotrimazole cream and solution, clotrimazole/betamethasone, ketoconazole cream and shampoo, over the counter miconazole preparations; nystatin cream, ointment and powder; all over the counter antifungal agents EXCEPT kits; terbinafine cream; tolnaftate cream/powder/solution).

State Specific Mandates		
State name	Date effective	Mandate details (including specific bill if applicable)
Louisiana	11/15/2017	Louisiana Amendment #9: Members only need to try/fail two products.
