

KMAP DME BULLETIN 18195

Coverage for Beneficiary with Breast Cancer and Mastectomy

Effective with dates of services on or after December 1, 2018, mastectomy bras and breast prosthesis will be covered under the durable medical equipment (DME) benefit. The covered codes along with their limits are outlined in the table below. Prior authorization is required. These codes will be covered if the beneficiary has a mastectomy due to breast cancer.

L8000 (4 per year)	L8001 (4 per year)
L8002 (4 per year)	L8010 (4 per year)
L8015 (4 per year)	L8020 (1 every 6 months)
L8030 (1 every 2 years)	L8031 (1 every 2 years)
L8035*	L8039

**Must show why this is needed over other breast prosthesis.*

Note: The effective date of the policy is December 1, 2018. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
