

JULY 2017

KMAP HCBS BULLETIN 17177

UPDATED
HCBS Reimbursement

Effective with processing dates on and after July 15, 2017, and retroactive to dates of service on and after July 1, 2017, the fees for certain Home and Community Based Services (HCBS) Autism, Frail Elderly, Intellectual/Developmentally Disabled, Physical Disability, Severe Emotional Disturbance, Technology Assisted, and Traumatic Brain Injury codes increased by 3%. The codes are on the following page entitled **HCBS Services**. **The HCBS PD rates for code S5125-U9 have been updated.**

The following tiered HCBS Intellectual/Developmentally Disabled (I/DD) service codes for provided type (PT)/provider specialty (PS) 55/364 increased: T2016 and T2021. The updated rates are on the final page and at the **HCBS I/DD Reimbursement** link on the [Provider](#) page of the Kansas Medical Assistance (KMAP) website.

Fee-for-service claims received from July 1 to 14, 2017, will automatically be reprocessed. If the provider's billed amount is less than the new rate, the provider will have to rebill claims with the new, higher rates in order to receive the higher reimbursement.

Note: The effective date of the policy is July 15, 2017. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the KMAP bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates.
