KMAP GENERAL BULLETIN 17150

HCBS I/DD Supportive Home Care

Supportive Home Care (SHC) services continue to be available through the Home and Community Based Services (HCBS) Intellectual/Developmentally Disabled (I/DD) waiver. Reference the updated *HCBS Intellectual/Developmentally Disabled Fee-for-Service Provider Manual* on the Provider Manuals page of the Kansas Medical Assistance Program website for specific information on coverage, benefits, and limitations.

Note: The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates.
