

OCTOBER 2017

KMAP HOSPICE BULLETIN 17222

FFY 2018 Payment Rates

Effective with dates of service on and after October 1, 2017, hospice services will be reimbursed in accordance with the federal fiscal year (FFY) 2018 policy. The rates are based on provider submission of required hospice quality data in accordance with Section 3004 of the Affordable Care Act.

The new rates have been updated in the appendices of the *Hospice Fee-for-Service Provider Manual*. T2044 and T2045 must be billed based on the county of the hospice provider. T2043, G0299 U2, and G0155 must be billed based upon the county of the beneficiary.

Note: The effective date of the policy is October 1, 2017. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates.
