

SEPTEMBER 2017

KMAP HCBS BULLETIN 17202

KDADS AIR System

Effective September 1, 2017, the Kansas Department for Aging and Disability Services (KDADS) will implement revised policies and procedures for the use of the adverse incident reporting and management system in accordance with the statutory requirements under 1915 (c) of the Social Security Act and the health and welfare waiver assurance and associated sub-assurances.

The Adverse Incident Reporting (AIR) system is designed for KDADS service providers and contractors to report all adverse incidents and serious occurrences involving individuals receiving services from the following KDADS programs: Home and Community Based Services (HCBS) waivers, Money Follows the Person (MFP), Behavioral Health, Senior Care Act, and Older Americans Act.

Providers can access the AIR system from the [KDADS](#) Home page under the **Quick Links** heading or at the following link: <https://webapps.kdads.ks.gov/LSOBP18/f?p=199:15::::15:>

Additional instructions can be found in the AIR User Manual located at the following link:

<http://www.kdads.ks.gov/docs/default-source/General-Provider-Pages/manuals/AIR/air-instructions-for-kdads-mco-v2.pdf?sfvrsn=6>.

Appropriate manual updates will be made, and additional notification will be sent.
