NEMT Codes

Effective with dates of service on and after February 1, 2018, codes A0180 and A0190 will be covered for Nonemergency Medical Transportation (NEMT).

If the beneficiary is receiving inpatient services, codes A0180 and A0190 cannot be billed. If the beneficiary is traveling with an attendant/parent/guardian, codes A0200 and A0210 may be appropriate to bill.

Note: The effective date of the policy is February 1, 2018. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
