KMAP GENERAL BULLETIN 18025

Physician and FQHC or RHC Services

Effective with dates of service on and after February 2, 2018, retroactive to processing dates on and after March 17, 2010, when the same procedure code is billed on the same date of service for the same beneficiary by both a physician and a Federally Qualified Health Center (FQHC) or Rural Health Clinic (RHC), only one claim will be reimbursed. The second claim will be denied as duplicate.

Note: The effective date of the policy is February 2, 2018. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
