

Prior Authorization Required for Medications

Effective with dates of service on and after August 1, 2017, the following medications will require prior authorization:

- Tofacitinib XR (Xeljanz XR[®])
- Somatropin (Norditropin FlexPro[®])
- Epoetin Alfa (Procrit[®])

Note: The effective date of the policies is August 1, 2017. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates.
