**MCO PHARMACY BULLETIN 18013****MCO 340B Policy Update**

Effective immediately, Covered Entity pharmacies (excludes physician-administered drugs and contracting pharmacies) that are listed on the Health Resources and Services Administration (HRSA) Medicaid Exclusion File (MEF) and fill Medicaid managed care organization (MCO) member prescriptions with drugs purchased at the prices authorized under Section 340B of the Public Health Services Act are no longer required to use a claim modifier to identify 340B claims and are no longer required to submit actual acquisition cost.

Covered Entity pharmacy MCO claims will be reimbursed as a standard retail pharmacy claim, using the NADAC lesser of methodology.

**MCO Pharmacy Bulletin 17244** has been rescinded on the [Bulletins](#) page of the Kansas Medical Assistance Program (KMAP) website.

The current policy for fee-for-service 340B claims is not changed by this MCO 340B policy. Reference the *Pharmacy Fee-for-Service Provider Manual* on the [Provider Manuals](#) page of the KMAP website.
