

KMAP GENERAL BULLETIN 18200**MUE Limits for J7345 and J2182**

Effective with claims processed on and after September 28, 2018, and retroactive to service dates on and after July 1, 2018, the Medically Unlikely Edit (MUE) limits established for codes J7345 and J2182 (effective July 1, 2018) will be inactivated. New MUE limits will be established by the Centers for Medicare & Medicaid Services (CMS) with the quarterly October 2018 updates. Affected claims that were processed from July 1 through September 28, 2018, will be identified and reprocessed.

Note: The effective date of the policy is September 28, 2018. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
