

A message for providers: Healthy Rewards

Amerigroup District of Columbia, Inc. shares your commitment to your patients' health and well-being. We implemented a new and easily accessible incentive program called Healthy Rewards. This program is designed to help your patients stay on track with their health care visits.

Every time your patient completes one of the qualifying healthy activities, they may be eligible for dollars to be added to their reloadable Healthy Rewards debit card:

- Prenatal — \$25
- Postpartum — \$25

Healthy Rewards can be used at the following approved retailers:

- CVS®
- Rite Aid®
- Family Dollar®
- Walgreens®
- NationsOTC®
- Walmart®

Enrollees may use these funds to purchase approved items, including baby care items and more.

Help ensure your patients are receiving these rewards.

- Schedule initial obstetrics visit within the first trimester or 42 days of enrollment with Amerigroup.
- Complete the patient's postpartum checkup 7-84 days after delivery. If your patient had a C-section, their one- to two-week postoperative visit does not count as a postpartum visit.
- Encourage your patients to track their visits and earn rewards.

Here's how patients report their activities:

1. Log in to www.myamerigroup.com/healthyrewards.
2. Call Healthy Rewards at 1-877-868-2004 Monday-Thursday from 8 a.m.-7 p.m. and Friday from 8 a.m.-6 p.m. Eastern time
