

Value-Added Benefits Grid

Amerigroup District of Columbia, Inc. has enhanced traditional enrollee benefits by developing value-added benefits specifically for our enrollees. These benefits were created to improve the health outcomes of our enrollees and address social determinants of health.

Value-added benefits offered to our enrollees

Name	Benefit description	Eligibility criteria	Eligibility limit	Benefit limits
Youth club memberships	We will provide up to \$50 each year to help cover the costs of Boys & Girls Club of America membership fees all enrollees ages 6-18.	All enrollees are eligible.	Enrollees must be enrolled in school.	Limit \$50 allowance or club memberships per year
Active&Fit® program	Our Active&Fit program is specifically designed to maintain muscle tone, while increasing strength, flexibility, mobility and improve overall health. Achieving personal fitness goals can improve overall health and well-being. Through this program, enrollees have the opportunity to improve fitness levels, develop a support system and work with online professionals that guide the attainment of fitness goals. 	All enrollees are eligible.	None	None
Extracurricular support	Eligible enrollees will receive a \$50 allowance to help them cover the cost of afterschool extracurricular clubs and activities, such as debate team, student newspaper, instrument rentals, afterschool sports (e.g., football, soccer, track, gymnastics, dance and/or karate).
