

Florida Long-Term Care (LTC)

You have an over-the-counter drug benefit. This is different than your prescription drug benefit. Amerigroup gives you up to \$15 worth of certain over-the-counter items per month--at no cost to you. Go to any Amerigroup network pharmacy (drugstore). Pick the item from this list. Show your Amerigroup ID card. The drugstore will let you know when you have reached the \$15 limit for the month.
