Subject: Prenatal ultrasound coverage and coding

Dear Provider:

Amerigroup Iowa, Inc. covers CPT codes 76801, 76802, 76805, 76810, 76811, 76812, 76815, 76816 and 76817 for outpatient prenatal ultrasounds for our pregnant members. This policy communication is limited to the CPT codes specified here. Please refer to clinical utilization management guideline entitled Maternal Ultrasound in the Outpatient Setting, (CG-Med-42), which details medical necessity criteria for maternal ultrasound.

Effective April 1, 2016, Amerigroup will cover one routine prenatal ultrasound for fetal anatomic survey per pregnancy (76801, 76805). Additional ultrasounds for procedural codes 76811, 76812, 76815, 76816 and 76817 for suspected maternal/fetal abnormality or follow-up required for an appropriate diagnosis indicating medical necessity. Without medical documentation necessity, ultrasounds for procedural codes 76811, 76812, 76815, 76816 and 76817 will not be reimbursed. This policy does not apply to ultrasounds performed by maternal fetal medicine specialists, in hospital settings or by radiology providers.

Our policies are based on medical necessity, consideration of nationally accepted medical practice standards, review of medical literature and governmental approvals. We referred to the American College of Obstetricians and Gynecologists (ACOG) Practice Bulletin, number 101, February 2009 – Ultrasonography in pregnancy to create this policy. According to this bulletin, ultrasonography in pregnancy should be performed only when there is a valid medical indication. Specifically, the ACOG practice bulletin states, “The use of either two-dimensional or three-dimensional ultrasonography only to view the fetus, obtain a picture of the fetus, or determine the fetal sex without a medical indication is inappropriate and contrary to responsible medical practice.”

We hope this information is helpful to you. For questions regarding prenatal ultrasound coverage, please call our national Provider Relations team at 1-800-454-3730. We appreciate your commitment to the health of our members.

Sincerely,

Mark Levy, MD, MPH  
Managing Medical Director
