

Prior authorization fax number change

The correct fax number to use when requesting a retail pharmacy or medical injectable prior authorization for Amerigroup Kansas, Inc. members has changed.

For retail pharmacy, please use the following fax number: 1-844-512-8999.

For medical injectables billed under the medical benefit, please use the following fax number: 1-844-512-7028.

Please update your records immediately. For more information, you can call Provider Services at 1-800-454-3730.
