Payment appeal

All appeals must be submitted in writing or via our provider website. We accept web and written payment appeals within 60 calendar days (63 days if mailed) of the date the *Reconsideration Determination* letter was mailed (if one was filed) or within 60 calendar days (63 days if mailed) of the date on your *Explanation of Payment*. A payment appeal is defined as a request from a health care provider to change a decision made by Amerigroup Kansas, Inc. related to a claim payment for services already provided. A provider payment appeal is not a member appeal (or a provider appeal on behalf of a member) of a denial or limited authorization as communicated to a member in a *Notice of Action*. Providers may include testimony in addition to evidence and legal and factual arguments when submitting appeals. Providers may also have their case file, including medical records, other documents and records, and any new or additional evidence considered, relied upon, or generated by Amerigroup in connection with the appeal.

If a reconsideration is already in process, but a Reconsideration Determination Letter has not been generated and sent, we will treat this request for an appeal as a request to terminate the reconsideration process and move forward with the appeal.

Providers will receive a *Payment Appeal Determination* letter. If providers disagree with the determination, they have an additional 120 calendar days (123 if mailed) from the date the determination letter was sent to file a *Request for State Fair Hearing*.
