Virginia Beach, VA 23466-1010

### **Coordination of benefits (COB)**

Amerigroup follows New Jersey-specific guidelines when COB is necessary. We use covered medical and hospital services whenever available or other public or private sources of payment for services rendered to members.

Providers are prohibited from billing members for the balance of a bill for Amerigroup-covered services or the amount above what we paid for covered services. Providers may not bill or take recourse against a member for denied or reduced claims for services that are within the amount, duration and scope of benefits of the Medicaid program.

After review of the *EOB*, claims are coordinated by calculating the Amerigroup allowable amount minus the third-party liability (TPL) payment. Amerigroup will be responsible for any unpaid balance up to the limit of its responsibility or the member's responsibility, whichever is less. This includes copays, deductibles or coinsurance amounts. If the third-party liability did not pay for a service because the member or provider did not follow the third-party payer's guidelines, Amerigroup will not pay for the service. When a medically necessary service not covered by the third-party payer is covered by Amerigroup (e.g., dental services, hearing aids, personal care assistant services, medical day care, incontinence supplies, family planning services), Medicaid is the only payer, and the member cannot be billed.

The following are some frequently asked questions and answers about COB.

**Q: If a member is dually eligible or has a TPL policy, how often do I have to submit a denial from Medicare and/or the TPL insurer?**

**A:** Amerigroup is the payer of last resort. Amerigroup must obtain a copy of the *EOBs* to coordinate the payment unless the member has Medicare A or B and the service is not covered by the Medicare portion.

**Q: Do I submit the denial from the Medicare and/or commercial insurance provider electronically or as a hard copy via postal mail?**

**A:** Amerigroup is unable to accept attachments to electronic claims. Hard copies must be mailed to:  
Amerigroup Community Care  
P.O. Box 61010  
Virginia Beach VA 23466-1010

**Q: How do I track the progress of paper copies of *EOBs* for individual members?**

**A:** Providers can visit <https://www.availity.com> or call Provider Services.

**Q: What is required for me to submit to Amerigroup if the member has Medicare and/or commercial insurance, and I don't participate in the Medicare and/or commercial network?**

**A:** Because Amerigroup is usually a secondary payer, the primary *EOB* must be included to determine payment as primary or secondary responsibility. The claim will deny if the *EOB* is not received.

**Q: Who do I contact for technical assistance regarding claims submission and coordination of benefits for dually eligible members and members with commercial insurance?**

**A:** Contact Provider Services for assistance.

### Payment disputes

Claims payment disputes must be filed within 90 days of the adjudication date on your explanation of payment. Mail to:

Payment Dispute Unit  
 Amerigroup Community Care  
 P.O. Box 61599  
 Virginia Beach, VA 23466-1599

### Member appeals

Member medical necessity appeals may be initiated by the member or the member's representative, or the provider acting on behalf of the member with the member's written consent. Submit orally and also in writing within 60 days to:
