Subject: Tennessee Health Link activity rate effective July 1, 2017

Dear Provider:

Amerigroup Community Care was notified by the Bureau of TennCare on April 17, 2017, to make the following changes effective July 1, 2017.

Reimbursement rate: The \$200 case rate for Health Link activities will be extended from July 1-November 30, 2017. Beginning December 1, 2017, the monthly case rate will change to \$139. The case rate will be paid no more than one time per month for each member enrolled in Health Link who received an eligible encounter as outlined in the billing guide found in the Health Link *Provider Operating Manual*.

If you have questions about this communication, received this communication in error or need assistance with any other item, contact your local Provider Relations representative or call Provider Services at 615-232-2160.

Sincerely,

Amerigroup Community Care
