**Subject: Important announcement – prenatal ultrasound reimbursement update**

Dear Provider:

This is an update to our prior communication regarding prenatal ultrasound reimbursement sent in March 2015; while the CPT codes for the policy remain the same, we have converted the ICD-9 codes to their corresponding ICD-10 codes, which were effective October 15, 2015.

Attached is an updated list of CPT codes with their associated ICD-10 diagnosis codes, indicating medical necessity. For additional information, please continue to refer to the “Maternal Ultrasound in the Outpatient Setting” clinical guideline (CG-MED-42), which details medical necessity criteria for maternal ultrasound.

We appreciate your commitment to the well-being of our members. Should you need additional assistance, you may visit the provider website at <https://providers.amerigroup.com/TN> or call Provider Services at 1-800-454-3730.

Sincerely,

Mark Mahler  
Medical Director  
Amerigroup Community Care

Attachment: CPT ICD-10 code list, effective October 1, 2015

Note: This is a general guide; codes are subject to change without additional updates from us. Providers are responsible for billing the appropriate code/modifier and diagnosis combinations.
