

Episodes of Care 2019 Final Risk-Sharing Payment Waiver (COVID)

In response to COVID 19, the Division of TennCare has directed Amerigroup Community Care to waive all 2019 risk-sharing payments related to the Episodes of Care program. The Division of TennCare released this news via an *Episodes* newsletter on Friday, July 17, 2020. This information is also posted to the Division of TennCare's Episodes of Care website under *News and Announcements* box.

As a reminder of the messaging, those providers owing a final risk-sharing payment based on their final 2019 reports will not have to make those payments. Providers with final gain-sharing payments in their final 2019 reports will still receive their payments. The Division TennCare is still analyzing the impact of the pandemic on the 2020 performance period.
