In addition, this training includes important 2018 updates and upcoming 2019 changes. We are pleased to offer this year's trainings in a webinar format. If you attend one of the training sessions listed below, you will not need to attend an in-person Medicaid training.

- Amerigroup Washington, Inc.
- Community Health Plan.
- Coordinated Care.

- UnitedHealthcare.

Please mark your calendar for the training that best fits your schedule. Visit

We appreciate your partnership in serving Medicaid patients and look forward to your attendance at these important and required trainings.
