

Amerigroup to conduct post-service reviews of certain modifiers and services

Beginning in the fourth quarter of 2017, Amerigroup* Community Care will conduct post-service reviews of professional individual and group-sponsored Medicare Advantage claims billed with following modifiers: 25, 62, 80, 81, 81, AS, and 91. Additionally, Amerigroup will conduct post-service reviews of Evaluation and Management (E&M) services billed during a global surgery period.

As part of the review, Amerigroup may contact providers to request additional documentation related to the services. If billing discrepancies are identified, Amerigroup will provide a written report of our findings to providers and initiate recoupments as appropriate. Findings may assist your office with quality improvement efforts.
