Please Use Medicare Billing Guidelines when filing Preventive Services Claims

Please use the same billing guidelines as set forth by Medicare for preventive service claims when filing claims for Amerigroup* Community Care Medicare Advantage members.

This applies to both professional and institutional billing.

- Professional claims should be filed on the CMS 1500 form with the appropriate Current Procedural Terminology (CPT) code and/or Health Care Procedural Code (HCPC) for the preventive service. The required primary and/or secondary diagnosis must also be listed with the appropriate CPT and/or HCPC.
- Institutional claims should be filed on the UB04 form with the appropriate revenue codes. The Medicare Preventive Services Chart does not list revenue codes. Please be sure to follow UB04 billing guidelines.

Examples:

Revenue Codes (except Rural Health Clinics and Federally Qualified Health Centers):

0636 – vaccine (and CPT or HCPC)

0771 – administration (and HCPC)

Rural Health Clinics and Federally Qualified Health Clinics – 052X revenue code series
