

## Prior authorization requirements for the below codes

On **January 1, 2021**, Amerigroup Community Care prior authorization (PA) requirements changed for codes below. Federal and state law, as well as state contract language and CMS guidelines, including definitions and specific contract provisions/exclusions take precedence over these precertification rules and must be considered first when determining coverage. Noncompliance with new requirements may result in denied claims.

Prior authorization requirements will be added for the following codes:
