Part D Drugs must be Prescribed for FDA-Supported Indications, Medicare Compendiums

Amerigroup* Community Care is responsible for ensuring that the Medicare Part D drugs that it covers are prescribed for medically accepted indications. Part D drugs must be prescribed for an indication supported by FDA-approved labeling and/or supported by at least one Medicare-approved compendium. If not, then by definition the drug is not considered a Part D drug. Please see [Chapter six of the Medicare Prescription Drug Benefit Manual](#) for additional information.
