

Provider Update

Member Incentive for Annual Routine Physical

Amerigroup* Community Care is launching a wellness campaign for individual D-SNP and HMO members in Colorado. As part of this campaign, we will contact members by letter and encourage them to see their provider for a routine physical by Dec. 31, 2016, to earn a \$50 incentive. To receive the reward, members will be required to obtain provider signature attesting to the annual physical.

As a result of this campaign, you may experience more than the usual number of appointment requests from your MA patients. We hope you will complete their visits by Dec. 31, 2016. Thank you for supporting this program and our members.
