Please Review Rx Changes to Help Members Find the Best Medication Values

Each year we evaluate our benefits and formulary and may make changes to update them. Formulary changes for 2016 include: tier changes, drug removals and new Prior Authorization and Quantity Limit requirements. Our members will need your help to ensure they get their medications at the most affordable cost.

Please, encourage your patients to review the 2016 formulary information within their Annual Notice of Change (ANOC) mailing or their new member kit, or to view the information online. Ask them if the coverage for any of their prescriptions has been changed, and consider alternative medications that will meet their needs at a lower cost.
