

New review process for not otherwise classified drug codes

Effective February 1, 2018, Amerigroup District of Columbia, Inc. is implementing a new review process for not otherwise classified (NOC) drug codes. Our Reimbursement Policy for “Unlisted or Miscellaneous Codes” requires NOC drug codes be submitted with the correct national drug code (NDC). As a large number of NOC drug claims do not contain the NDC, we will review claims to ensure the presence of a NDC, and claims without an NDC will be denied.

The scope of review will include both professional and facility claims for Medicaid members. The NOC drug codes listed below will suspend and be routed for review. Note, to ensure billed drugs are a benefit and covered per our medical policies or state policies, Amerigroup may request that you submit medical records.
