

Obtaining long-acting reversible contraceptives

The information outlined below applies to members, effective [DATE]:

Therapeutic class	Drug
Long-acting reversible contraceptives	Kyleena® 19.5 mg system
	Liletta® 52 mg system
	Mirena® system
	Nexplanon® 68 mg implant
	Paragard® T 380-A IUD
	Skyla® system

Please use the options below to receive long-acting reversible contraceptives for administration at your office. These drugs can only be obtained under the medical benefit using the following instructions. As always, you have the buy and bill option under the member's medical benefit.

Kyleena, Liletta, Mirena and Skyla

If you choose CVS Caremark Specialty Pharmacy under the medical benefit, they are available to assist you from 7:30 a.m.-7:30 p.m ET, Monday-Friday and can accept the prescription using one of the following methods:

- By phone at 1-877-254-0015 — include patient's name and insurance information
- By fax at 1-866-336-8479 — include prescription or completed manufacturer's form

The buy and bill option under the member's medical benefit is also an option.

Nexplanon

First, you must follow the manufacturer's instructions, available by phone at 1-844-NEX-4321 (1-844-639-4321), from 8 a.m.-8 p.m. ET, Monday-Friday or online at <https://www.merckconnect.com/nexplanon/coverage/ordering-nexplanon>. Next, you have the option to use CVS Caremark Specialty Pharmacy or buy and bill, both under the medical benefit.

Paragard

You must use the buy and bill option. Call Paragard Access Solutions at 1-877-PARAGARD (1-877-727-2427). Paragard Access Solutions is available from 8:30 a.m.-8 p.m. ET, Monday-Friday, or online at www.paragardaccesssolutions.com. Use the *Paragard Direct* option for providers.

What if I need assistance?

If you need assistance with any other item, contact your local Provider Relations representative or call Provider Services at 1-800-454-3730.
