

Prior authorization changes

Effective December 1, 2019, prior authorization (PA) requirements are changing for the codes listed below. The listed codes will require PA by Amerigroup District of Columbia, Inc. for District of Columbia Healthy Families Program members. Federal and state law, as well as state contract language and Centers for Medicare & Medicaid Services guidelines, including definitions and specific contract provisions/exclusions, take precedence over these PA rules and must be considered first when determining coverage. **Noncompliance with new requirements may result in denied claims.**

PA requirements are being added to the following:

- All lower extremity prosthesis — shank foot system with vertical loading pylon (L5987)
- Gait trainer, pediatric size — anterior support, includes all accessories and components (E8002)
- Wheelchair, pediatric size — tilt-in-space, folding, adjustable, without seating system (E1234)
- Wheelchair, pediatric size — tilt-in-space, rigid, adjustable, without seating system (E1233)

- Multi-positional patient transfer system with integrated seat, operated by care giver (E1035)
- Wheelchair accessory — ventilator tray, gimbaled (E1030)
- Water circulating heat pad with pump (E0217)
