Important update to Behavioral Health CPT Codes and precertification rules

<u>Summary of change</u>: Effective for dates of service beginning January 1, 2015, Amerigroup Community Care will update the Amerigroup Georgia CORE Services Behavioral Health Fee Schedule for outpatient behavioral health clinic services to the codes published in Table 1 below. Table 2 demonstrates the list of acceptable modifiers.

→ What this means to you: All codes and modifiers contained in Tables 1 and 2 must be used in accordance with standard billing guidelines. Providers must use HIPAA-compliant billing codes when billing or submitting encounter data. This applies to both electronic and paper claims. Amerigroup reserves the right to use code-editing software to determine which service is considered part of, incidental to, or inclusive of the primary procedure. Any code billed that is not specifically listed in Table 1 will be denied as non-covered and not eligible for reimbursement.

Table 3 lists the place of service (POS) codes and descriptions to be used for outpatient mental health services. These codes should be used to specify the entity where services were rendered. As defined by the Centers for Medicare & Medicaid Services, the POS code is used to reflect the actual setting where the beneficiary receives the face-to-face service. For example, if the provider's face-to-face encounter with a patient occurs in the office, the correct POS codes on the claim reflects the two-digit POS code 11 for office. The two-digit POS code will match the address and ZIP code entered in the service location (Box 32 on the CMS HCFA 1500).

Precertification requirements

"Yes" in the precertification requirement column denotes a procedure code that requires precertification.

How do I request precertification?

Request precertification by:

- Logging in to our provider self-service portal at providers.amerigroup.com/GA and selecting Precertification from the Tools menu
- Calling us at 1-800-454-3730
- Faxing your request to 1-888-240-4609

Check the status of your request by logging back into provider self-service or calling Provider Services.
