

Ordering RhoGAM as a pharmacy benefit

RhoGAM® must be filled by a specialty pharmacy. Members taking RhoGAM prescriptions to their retail pharmacies will be rejected at point of sale.

Going through the specialty pharmacy ensures members receive RhoGAM in a timely manner, prior to their next scheduled OB/GYN office visits. To ensure members receive RhoGAM without a delay in therapy:

- Fax all orders for RhoGAM to Accredo at 1-888-824-2642. Do not give a prescription to the member.
 - Please note, no prior authorization is required for RhoGAM.
- Inform members that Accredo must contact them to confirm delivery prior to the medication being shipped. If they miss the call or do not get a call after five days, please have them call Accredo Customer Support at 1-800-870-6419.

If you have questions about this communication or need assistance with any other item, contact your local Provider Relations representative or call Provider Services toll free at 1-800-454-3730.
