

This is an update about information in the provider manual. For access to the latest provider manual, go online to <https://providers.amerigroup.com>.

Zika virus guidance for providers

Summary of change: This provider update outlines available guidance documents and information on the Zika virus from the Centers for Disease Control and Prevention (CDC) and the Amerigroup Community Care coverage of insect repellants.

What this means to you: To remain current on available information about the Zika virus and pregnancy, visit the CDC website at cdc.gov/zika/hc-providers/qa-pregnant-women.html.

It is strongly recommended by the Department of Public Health and Community Health that all providers routinely access the CDC Zika virus Web page to obtain updated guidance. You can access this Web page at <http://www.cdc.gov/zika/>.

Zika virus updates

Providers may sign up for email updates from the CDC via the following link: service.govdelivery.com/accounts/USFDIC/subscriber/new.

Covered insect repellent products

Effective July 15, 2016, Amerigroup members are eligible to receive the below formulations of commercially available insect repellants. You can prescribe one of the products listed below, which the member can fill under the retail pharmacy benefit. The member will have to pay their applicable copay. **Members may receive one can/bottle per fill with up to two fills allowable per calendar month. When used as directed, Environmental Protection Agency-registered repellents are safe and effective for pregnant women.**
