

## **Update to previous communication regarding imaging services**

**Summary of update:** Amerigroup Community Care will **not** implement site of service review on November 1, 2017, through AIM Specialty Health®.

This is an update to what was previously communicated on August 17, 2017.

### **Are there any changes to the current process?**

No, physicians can continue to request authorization for MRI and computerized tomography scans as they do currently.

### **What if I need assistance?**

If you have additional questions, please contact your local Provider Relations consultant.
