

Medicare Advantage Members to Receive Monthly Summary Statements

Amerigroup Amerivantage (Medicare Advantage) members will receive a new monthly Explanation of Benefits (EOB) beginning May 2014. The monthly EOB called the "Monthly Report" is a summary of medical and supplemental services claims processed in the previous month. This new monthly report is required by the Centers for Medicare & Medicaid Services. We bring this new EOB to your attention so you will be aware of the new process if members bring the Monthly Report with them to upcoming office visits.

Amerivantage is an HMO plan with a Medicare contract and a contract with the Georgia Medicaid program. Enrollment in Amerivantage depends on contract renewal.
