Budget shortfall payment reduction — second clarification

Summary of change: Effective with dates of service on or after July 1, 2016, three codes have been added to the list of excluded home- and community-based service codes and are not subject to the 4-percent reduction:

- H2015
- H2019
- G0153

A clarification regarding the adjustment percentage for outliers: The reduction applies to both the cost outlier and the day outlier. This means that the outliers are paid at 55 percent instead of the previous 75 percent.
