

Human papillomavirus (HPV) vaccine update

Summary of change: Effective with dates of service of August 1, 2015, and after, HPV nonavalent (HPV), 3-dose schedule for intramuscular use (procedure code 90651) for members 9 to 18 years old will no longer be reimbursed by Amerigroup Kansas, Inc. This vaccine is now covered under the Vaccines for Children (VFC) program. VFC has covered the vaccine since June 1, 2015.

✦ **What this means to you:** Claims for 90651 received for dates of service of August 1, 2015, and after will be denied when billed for members 9 to 18 years old. Only the administration fees will be reimbursed. For members 19 to 26, Amerigroup will continue to reimburse 90651 at the fee schedule rate.

What if I was reimbursed for services rendered June 1, 2015 through July 31, 2015?

If you were reimbursed by Amerigroup for the HPV vaccine for dates of service from June 1, 2015 through July 31, 2015 (for members 9 to 18 years old) out of your VFC stock, refunds should be issued to Amerigroup by filling out the Refund Notification form or Recoupment Notification form found on our provider website.
