

Provider Update

This is an update about information in the provider manual. For access to the latest provider manual, go online to <https://providers.amerigroup.com/KS>.

National Correct Coding Initiative and Medically Unlikely Edits quarterly updates

Summary of change: Effective with dates of service on and after January 1, 2017, additions, revisions and deletions related to the first quarter of the National Correct Coding Initiative (NCCI) and Medically Unlikely Edits (MUE) will be made according to the KanCare quarterly files. Reference the CMS website for additional information. Note that specific home- and community-based services are also subject to the CMS NCCI/MUE changes.

What if I need assistance?

If you have questions about this communication, received this fax in error or need assistance with any other item, contact your local Provider Relations representative or call Provider Services at 1-800-454-3730.
