

Sleep cycle support service

Summary of change: The Kansas Department of Health and Environment has made changes to the rate for sleep cycle support effective January 1, 2016. These changes are related to the new U.S. Department of Labor regulations involving in-home care services.

✦ **What this means to you:** The new rate of \$78.30 for T2025 is effective with dates of service beginning January 1, 2016.

What is the impact of this change?

Effective with dates of service on or after January 1, 2016, the rate for T2025 (sleep cycle support service) will be \$78.30 per unit (daily) for the following home and community-based services (HCBS) waiver programs: Intellectual and Developmental Disability (I/DD), Physical Disability (PD), Traumatic Brain Injury (TBI) and Frail Elderly (FE).
