Third-party liability cost avoidance for certain home- and community-based services codes — updated

Summary of change: Beginning with date of service July 1, 2016, and after, Amerigroup Kansas, Inc. will bypass third-party liability (TPL) coordination and editing for the procedure codes listed below.

What this means to you

Beginning with claims billed for date of service July 1, 2016, the following codes will not be edited for TPL coordination at the time of claim adjudication. Claims will pay as if Amerigroup is the primary carrier. We may pursue reimbursement from the TPL carrier directly, but providers will be reimbursed by Amerigroup as if there is no TPL on file for these codes.

Home- and community-based services (HCBS) codes not edited for TPL coordination:
