

Fiscal year 2016 Medicare severity diagnosis-related groups weights and rates

Summary of change: Amerigroup Kansas, Inc. has received fiscal year 2016 Medicare severity diagnosis-related groups (MS-DRG) weights and rates from the Kansas Department of Health and Environment, and we are in the process of loading these in our system. Once loaded, we will reprocess any claims that were processed and paid under the prior weights and rates. The weights and rates are published in the Kansas Medical Assistance Program Hospital Fee-for-Service Provider Manual, located at kmap-state-ks.us/Public/providermanuals.asp.

✦ **What this means to you:** The new weights and rates will be loaded in the Amerigroup system by December 31, 2015. Any claims received and processed prior to this date will be reprocessed.
