## Intellectual/Developmental Disability Waiver Services Begin February 1, 2014

**Background:** Amerigroup Kansas, Inc. is preparing for the integration of Intellectual/Developmental Disability (I/DD) waiver services into the managed care system effective February 1, 2014.

✦ **What this means to you:** Inform the targeted case managers in your area we are beginning this process and they can expect contact from an Amerigroup service coordinator.

### What is the impact of this change?

We are asking our service coordinators to work with each case manager to obtain information about eligible members and to set up appointments to meet with members and their support systems.

### Who do I call with questions?

If you have any questions, contact Margaret Zillinger, Assistant Vice President at 913-563-1606.
