

Medical drug benefit *Clinical Criteria* updates

On December 18, 2019, and December 23, 2019, the Pharmacy and Therapeutics (P&T) Committee approved the following *Clinical Criteria* applicable to the **medical drug benefit** for Amerigroup Community Care. These policies were developed, revised or reviewed to support clinical coding edits.

Visit [Clinical Criteria](#) to search for specific policies. For questions or additional information, use this [email](#).

Please see the explanation/definition for each category of *Clinical Criteria* below:

- New: newly published criteria
- Revised: addition or removal of medical necessity requirements, new document number
- Annual Review: minor wording and formatting updates, new document number
- Updates marked with an asterisk (*): criteria may be perceived as more restrictive

Please share this notice with other members of your practice and office staff.

Please note: The *Clinical Criteria* listed below applies only to the medical drug benefits contained within the member's medical plan. This does not apply to pharmacy services.
