

New provider contracting system

To improve consistency and standardize agreements across all lines of business, Amerigroup Community Care is moving to a new provider contracting system. As part of this effort, Amerigroup provider groups will be receiving an amendment to replace their existing agreements. These new amendments will not affect reimbursements and are only meant to align Amerigroup agreements with the new contracting system. If you have any questions or concerns, please reach out to your Amerigroup Provider Solutions representative or call Provider Services at 1-800-454-3730.
