

Provider Update

Rx avoidance and OTC reminder flier

Background: Amerigroup Community Care recently mailed a flier to all New Jersey Medicaid households regarding antibiotic avoidance and OTC benefits.

✦ **What this means to you:**

Nothing. No action is required on your part.

What information was included in the flier?

This flier contained information for members regarding when to use antibiotics and when to use over-the-counter (OTC) medication. It also outlined several OTC medication benefits available to members.

What if I need assistance?

If you have questions about this communication, received this fax in error or need assistance with any other item, contact your local Provider Relations representative or call Provider Services at 1-800-454-3730.
