Medicaid Provider Fraud Training

Wednesday

December 12, 2018

10 a.m.-12:30 p.m.

Forensic Science Technology Center

Auditorium

1200 Negron Drive, Hamilton, NJ 08691

Program overview: Several state agencies — the Medicaid Fraud Division (MFD) of the State Comptroller's Office, the Division of Medical Assistance and Health Services (DMAHS) in the Department of Human Services, and the Medicaid Fraud Control Unit (MFCU) in the Attorney General's Office — work together with New Jersey's managed care organizations (MCOs) to identify and recover funds attributable to fraud, waste and abuse (FWA) in the Medicaid program. This session is designed to give stakeholders — specifically Medicaid providers — a better understanding of best practices to prevent, avoid and detect FWA in the Medicaid managed care program.
