

Provider Update

Vaccines for NJ FamilyCare Plan B, C and D Beneficiaries

Background: Due to changes to policies and procedures implemented by the Centers for Disease Control and Prevention (CDC) for the NJ-VFC (Vaccines for Children) program on October 1, 2013, access to vaccines available through the NJ-VFC program for NJ FamilyCare Plans B, C and D-eligible children shall be discontinued for claims and service dates on or after July 1, 2014.

What this means for you:

Effective July 1, 2014, Amerigroup will now be responsible to pay provider claims for both the cost of the vaccine serum and for administration for NJ FamilyCare Plan B, C and D beneficiaries.

Providers will be required to administer vaccines for FamilyCare B, C and D children out of their own commercial stock and bill Amerigroup for both the vaccine and administration cost.

This change does not impact FamilyCare A beneficiaries. Providers are still required to enroll in the State's VFC Program and administer the free vaccines for FamilyCare A VFC eligible members.

How can I identify which members are in FamilyCare A plan?

- Member ID cards list the FamilyCare plan on the front left-hand corner of the card
- You can call Provider Services at 1-800-454-3730 to check Member Eligibility
- Member panel reports available on the Provider Portal list the member's product. The Product IDs used to identify Amerigroup Member's in Plan A are listed in the crosswalk document attached. This information will assist you in identifying your Plan A Amerigroup members.

For more information on the Vaccines for Children Program, please visit their website at <https://njiis.nj.gov/njiis/html/vfc.html>.

What if I need help?

If you have questions about this communication, received it in error or need help with anything else, contact your local Provider Relations representative or our Provider Services team at 1-800-454-3730.
