

Provider Update

Correction to Marshall and Wayne Medical Centers notification

We recently notified you through our September edition of the monthly news blast that effective September 1, 2015, Marshall Medical Center and Wayne Medical Center, both owned by Maury Health System, will no longer be participating providers in the Amerigroup Community Care provider network.

We are pleased to notify you that both Marshall and Wayne hospitals will remain in our network and continue to be participating providers.

We apologize for any inconvenience the incorrect notification may have caused, and we appreciate your continued commitment to providing quality care to our members.

Please direct any member or provider questions about this update to the following:
