

Provider Update

Retraction of nonphysician practitioner reimbursement policy

Summary: Our August 2015 Provider Newsblast announced our policy to closely align with the Centers for Medicare & Medicaid Services (CMS) claims-processing guidelines for claims received by nonphysician practitioners effective October 1, 2015.

✦ **What this means to you:** We are re-evaluating CMS guidelines and rescinding the previous communication regarding the “Nonphysician practitioner reimbursement policy.” There will be no claim processing changes for claims received by nonphysician practitioners effective October 1, 2015.
